STARMOBI FURNITURE

STARMOBI started its production life with furniture and decoration manufacturing in 1981 and opened its first showroom in 1990.

STARMOBI, which never deviates its service approach from the line of being trusted, has expanded its production and display capacity in the face of the demand for the products offered for sale. STARMOBI has expanded its product range in line with the experiences and experiences it has gained in the last years and has always been open to change by following the world furniture fashion closely.

With its experienced staff,
we provide interior designer support and produce solutions according to the request of our customers. We welcome our valued customers to our Masko Showroom to see the quality and creative designs of STARMOBI.
